

LAMB Services—Prison Ministry Update—November 2013

At this point in time, we have around 3,200 requests for Good & Evil books that are unfulfilled, and that does not include the 30+ envelopes that are coming each day! It costs approximately \$8 to send one book to a prisoner. If you do the math, that would come out to be \$25,600!

In order to help with our backlog of requests, the publisher of the book, No Greater Joy Ministries, has just informed us that they are willing to give us a 25% discount on all books purchased by 11/8/13! This means that they will be selling the books to us below their cost.

The need for Godly literature in prisons is great! We need your help in fulfilling these requests. The amount available in the Prison Ministry fund is fairly insignificant in comparison to the need. Would you consider helping?

Everyday we receive about 30+ requests from prisoners who want a Good & Evil book!

Mr. Jesse writes... "I am currently incarcerated in State Prison. A few people have the Good & Evil book and let me tell you, it's a great book. The artist did a tremendous job with all the drawings. Believe it or not, this book is literally making believers out of non-believers. Just a few drawings & Scriptures, it's getting the point across, that our Lord Jesus is alive. This book is a big step in learning more about God & having eternal life. Is there any way you guys can send me the Good & Evil book? I would really love to have one of these books, so I can spread the word about our Lord Jesus here in prison. Plus, I'm planning to take this book home when I parole, so I can help my family get closer to God. I would highly appreciate it! Thanks for your time & God bless!"

What would you do with all your time if you were sitting in a prison, day in and day out? We receive some very creative, artistic envelopes in our mail box from prisoners who are requesting a Good & Evil Book!

In order to keep up with the daily requests for these books, we are going to need a steady source of support. If you feel that this project is one you would care to assist us with, please detach the bottom of this page and mail it along with your donation.
